

## DUNHAM CELLARS | 2002 LEWIS VINEYARD CABERNET SAUVIGNON

---

2002 LEWIS VINEYARD CABERNET SAUVIGNON | Estate Bottled - Once again one of our favorite estate vineyards stands out in the cellar. Typical of Lewis fruit...the 2002 Lewis Vineyard Cabernet Sauvignon exhibits giant black cherry, pomegranate reduction, graham cracker and hints of root beer. Wonderfully structured fruit and tannin components really guide this wine to a new height.
