

DUNHAM CELLARS | 2005 SEMILLON ICE WINE

2005 SEMILLON ICE WINE | Picked on December 8th, 2005 after a week of temperatures dropping below 20°, the clusters were almost pure ice! This fruit was 42° brix at harvest. This concentrated syrup was gently squeezed for many hours until 3 tons fit into only two barrels. Crisp, syrupy pear and apricots . . .
