

## DUNHAM CELLARS | 2008 LEWIS VINEYARD CABERNET SAUVIGNON

---

2008 LEWIS VINEYARD CABERNET SAUVIGNON | ...And now for something completely different... Like the mists that rise over the morning heather, punctuated by the shrill of the hawk on the hunt. Cassis and graham cracker are squished together with cherry jelly, showing off a tapestry of melodic nuances knitted by fine hands deft at their trade, but coy to the touch of the untrained hand. ...and if you believe all that, then you haven't yet tasted the best Lewis Vineyard Cab to date! -Eric Dunham and Daniel Wampfler, *Winemaking Team*
