

DUNHAM CELLARS | 2010 LEWIS VINEYARD CABERNET SAUVIGNON

Original artwork by Eric Dunham

2010 LEWIS VINEYARD CABERNET SAUVIGNON | Mother Nature presented some challenges in 2010 with a cool summer and short ripening season, but Lewis Vineyard proved itself amazing again with this lovely Cabernet. Elegant, soft aromas spill from the glass. Black cherry, cola and a light touch of licorice layered with cinnamon, vanilla and pomegranate rest gently on the palate while acidity and tannins add power and age-worthiness to this exceptional wine. -Eric Dunham and Daniel Wampfler, *Winemaking Team*
